

Join us for THE CRISP on Pender Island, October 4 & 5, 2024!

A community driven, third year festival will be held this year on the beautiful grounds of the Pender Island Community Hall

The Crisp is a Southern Gulf Islands Community Resource Centre initiative based on an event held in 2020 called "Let No Apple Be Wasted"

THE CRISP

The Crisp is a Pender Island festival with fun, enjoyable happenings aimed at fostering community well-being through music, poetry, transformational storytelling supplementing scheduled art activities, apple related activities and instructional workshops to compliment the SGICRC's mandate on food and farming security and the promotion of environmental sustainability

We are seeking cash and / or in-kind support for our intergenerational, cultural and heritage event attracting locals and promoting Southern Gulf Island Tourism.

The Crisp offers an exciting partnership in what is this year a much anticipated annual festival.

We are open to all suggestions and welcome input from partners. We are happy to discuss this festival with you regarding creative, optional, additional ways in which to support.

Thank you for your consideration in partnering with us!
